- IV. Previous Question, 19-20
- V. Voting, 21-26
- VI. Committees, 27-31
- VII. Handling of Bills, 32-45
- VIII. Legislative Officers and Employees, 46-50
- IX. Privileges of the Hall, 51-54
- X. General Rules, 55-61

I. Order of Business

RULE 1. *Convening Hour*—The House shall convene each legislative day at the hour fixed by the House. In the event the House adjourns on the preceding legislative day without having fixed an hour for reconvening, the House shall convene on the next legislative day at two-thirty p.m.

RULE 2. *Opening the Session.*—At the convening hour on each legislative day the Speaker shall call the members to order and shall have the session opened with prayer.

RULE 3. *Quorum*.—(a) A quorum consists of a majority of the qualified members of the House.

(b) Should the point of a quorum be raised, the doors shall be closed and the Clerk shall call the roll of the House, after which the names of those not responding shall again be called. In the absence of a quorum, fifteen members are authorized to compel the attendance of absent members and may order that absentees for whom no sufficient excuses are made be taken into custody wherever they may be found by special messenger appointed for that purpose.

RULE 4. *Approval of Journal*.—The Rules Committee shall cause the Journal of the House to be examined daily before the hour of convening to determine if the proceedings of the previous day have been correctly recorded.

Immediately following the opening prayer and upon appearance of a quorum, the Speaker shall call for the Journal report of the Rules Committee by the Rules Committee Chairman or by a Representative designated by the Chairman of the Rules Committee as to whether the proceedings of the previous day have been correctly recorded. Without objection, the Speaker shall cause the Journal to stand approved.

RULE 5. *Order of Business of the Day*.—After the approval of the Journal of the preceding day, the House shall proceed to business in the following order:

- (1) The receiving of petitions, memorials and papers addressed to the General Assembly or to the House.
- (2) Reports of standing committees.

- (3) Reports of select committees.
- (4) Introduction of Resolutions.
- (5) Introduction of Bills.
- (6) The unfinished business of the preceding day.
- (7) Bills, resolutions, petitions, memorials, messages and other papers on the Calendar in their exact numerical order, unless displaced by the order of the day; but messages, and motions to elect officers shall always be in order.
- (8) Reading of Notices and Announcements.

II. Conduct of Debate

RULE 6. *Duties and Powers of the Speaker.*—(a) The Speaker shall have general direction of the Hall. He may name any member to perform the duties of the Chair, but substitution shall not extend beyond one day, except in the case of sickness or by leave of the House.

(b) The House shall elect one of its members Speaker pro tempore who shall perform such duties as the Speaker may assign and shall preside over the House in the absence or incapacity of the Speaker and shall perform all of the duties of the Speaker until such time as the Speaker may assume the Chair.

RULE 7. *Obtaining Floor.*—(a) When any member desires recognition for any purpose, he shall rise from his seat and respectfully address the Speaker. No member shall proceed until recognized by the Speaker.

(b) When a member desires to interrupt a member having the floor, he shall first obtain recognition by the Speaker and permission of the member occupying the floor, and when such recognition and permission have been obtained, he may propound a question to the member occupying the floor; but he shall not otherwise interrupt the member having the floor; and the Speaker shall, without the point of order being raised, enforce this rule.

RULE 8. *Questions of Personal Privilege.*—At any time, upon recognition by the Speaker, any member may speak to a question of personal privilege. The Speaker shall determine if the question is one of privilege.

RULE 9. *Points of Order.*—(a) The Speaker shall decide questions of order and may speak to points of order in preference to other members arising from their seats for that purpose. Any member may appeal from the ruling of the Chair on questions of order; on such appeal no member may speak more than once, unless by leave of the House. A two-thirds ($\frac{2}{3}$) vote of the members present shall be necessary to sustain any appeal from the ruling of the Chair.

(b) When the Speaker calls a member to order, the member shall take his seat except that a member called to order may clear a matter of fact, or explain, but shall not proceed in debate so long as the decision stands. If the member appeals from the ruling of the Chair and the decision by a two-thirds ($\frac{2}{3}$) vote of the members present be in favor of the member called to order, he may proceed; if otherwise, he shall not; and if the case, in the

judgment of the House, requires it, he shall be liable to censure by the House.

RULE 10. *Limitations on Debate.*—No member shall speak more than twice on the main question, nor longer than thirty minutes for the first speech and fifteen minutes for the second speech, unless allowed to do so by the affirmative vote of a majority of the members present; nor shall he speak more than once upon an amendment or motion to commit or postpone, and then not longer than ten minutes. However, the House may, by consent of a majority of the members present, suspend the operation of this rule during any debate on any particular question before the House, or the Rules Committee may bring in a special rule that shall be applicable to the debate on any bill.

RULE 11. *Reading of Papers.*—When there is a call for the reading of a paper which has been read in the House, and there is objection to such reading, the question shall be determined by a majority vote of the members of the House present. No member may have material printed in the Journal until said material has been presented to the House and said material shall not exceed 1,000 words.

RULE 12. *General Decorum.*—(a) The Speaker shall preserve order and decorum.

(b) Decency of speech shall be observed and disrespect to personalities carefully avoided.

(c) When the Speaker is putting any question, or addressing the House, no person shall speak, stand up, walk out of or cross the House,

nor when a member is speaking, engage in private discourse or pass between the member and the Chair.

(d) Smoking shall not be permitted on the floor of the House while the House is in session.

(e) Food or beverages shall not be permitted on the floor of the House.

(f) Smoking or the consumption of food or beverages shall not be permitted in the galleries at any time.

(g) Special recitals, musicians and special guests of the members of the House shall not be permitted on the floor of the House but may be permitted the use of the auditorium or various committee rooms only upon the approval of the Chairman of the Rules Committee or the Speaker of the House.

III. Motions

RULE 13. *Motions Generally.*—(a) Every motion shall be reduced to writing, if the Speaker or any two members request it.

(b) When a motion is made, it shall be stated by the Speaker, or, if written, it shall be handed to the Chair and read aloud by the Speaker or Clerk before debate.

(c) After a motion has been stated by the Speaker or read by the Speaker or Clerk, it shall be in the possession of the House; but it may be withdrawn before a decision or amendment, except in case of a motion to reconsider, which motion, when made by a member, shall be in

possession of the House and shall not be withdrawn without leave of the House.

RULE 14. *Motions, Order of Precedence.*—When there are motions before the House, the order of precedence is as follows:

To adjourn

To lay on the table

To postpone indefinitely

Previous question

To postpone to a day certain

To commit

To amend an amendment

To amend

To substitute

To pass the bill

No motion to lay on the table, to postpone indefinitely, to postpone to a day certain, to commit or to make a particular amendment, being decided, shall be again allowed at the same stage of the bill or proposition.

RULE 15. *Motion to Adjourn.*—(a) A motion to adjourn shall be seconded before the motion is put to the vote of the House.

(b) A motion to adjourn shall be decided without debate, and shall always be in order, except when the House is voting or some member is speaking; but a motion to adjourn shall not follow a motion to adjourn until debate or some other business of the House has intervened.

RULE 16. *Motion to Table.*—(a) A motion to table shall be seconded before the motion is put to the vote of the House and is in order except when a motion to adjourn is before the House.

(b) A motion to table shall be decided without debate.

(c) A motion to table a bill shall constitute a motion to table the bill and all amendments thereto.

(d) A motion to table an amendment shall not be construed as a motion to table the principal bill or any other amendment which has been offered thereto, and if such motion is carried, only the amendment shall lie upon the table.

(e) When a question has been tabled, the same shall not be acted upon again during the session except by two-thirds (2/3) vote.

RULE 17. *Motion to Postpone Indefinitely.*—A motion to postpone indefinitely is in order except when a motion to adjourn or to lay on the table is before the House. However, after one motion to postpone indefinitely has been decided, another motion to postpone indefinitely shall not be allowed at the same stage of the bill or proposition. When a question has been postponed indefinitely, the same shall not be acted on again during the session, except upon a two-thirds (2/3) vote.

RULE 18. *Motion to Reconsider.*—(a) When a question has been decided, it is in order for any member of the majority to move for the

reconsideration thereof, on the same or the succeeding legislative day; provided that unless the vote by which the motion was originally decided was taken by a call of the ayes and noes, any member may move to reconsider.

(b) A motion to reconsider shall be determined by a majority vote, except a motion to reconsider a motion tabling a motion to reconsider, which shall require a two-thirds (2/3) vote.

(c) A motion to reconsider a motion made under Rules 16, 17, 38, 42 and 43 shall require a two-thirds (2/3) vote.

IV. Previous Question

RULE 19. *Previous Question.*—The previous question may be called only by the member submitting the report on the bill or other matter under consideration, by the member(s) introducing the bill or other matter under consideration, or by the member in charge of the measure, who shall be designated by the chairman of the committee reporting the same to the House at the time the bill or other matter under consideration is reported to the House or taken up for consideration.

RULE 20. *Form and Effect of Previous Question.*—(a) The previous question shall be as follows: "Shall the main question now be put?" When the call for the previous question has been decided in the affirmative by a majority vote of the House, the "main question" is on the passage of the bill, resolution or other matter under consideration.

(b) The call for the previous question shall preclude all motions, amendments and debate, except the motion to adjourn or motion to table or motion to postpone indefinitely made prior to the determination of the previous question.

(c) If the previous question is decided in the negative, the main question remains under debate.

V. Voting

RULE 21. *Stating Questions*.—(a) The Speaker shall rise to put a question.

(b) The question shall be put in this form, namely, "Those in favor (as the question may be) will say 'Aye'," and after the affirmation voice has been expressed, "Those opposed will say 'No'."

(c) Any member may call for a question to be divided into two or more propositions to be voted on separately, and the Speaker shall determine whether the question admits of such a division.

RULE 22. *Determining Questions*.—Unless otherwise provided by the Constitution of North Carolina, all questions shall be determined by the members present and voting.

RULE 23. *Voting by Division*.—Any member may call for a division of the members upon the question before the result of the vote has been announced. Upon a call for a division, the Speaker shall cause the number voting in the affirmative and in the negative to be determined.

Upon a division and count of the House on any question, no member away from his seat shall be counted.

RULE 24. *Roll Call Vote.*—(a) Before a question is put, any member may call for the ayes and noes. If the call is sustained by one-fifth ($1/5$) of the members present, the question shall be decided by the ayes and noes upon a roll call vote, taken alphabetically.

(b) Every member who is in the Hall of the House when the question is put shall give his vote upon a call of the ayes and noes, unless the House for special reasons shall excuse him and no application to be excused from voting or to explain a vote shall be entertained unless made before the call of the roll. The explanation of a vote shall be limited to 60 seconds.

RULE 25. *Voting by Absentees.*—(a) No member shall vote on any question when he was not present when the question was put by the Speaker, except by the consent of the House.

(b) If any member is necessarily absent on business of the House when a vote is taken upon any question, upon entering the House he shall be permitted, on request, to vote, provided that the result shall not be affected thereby.

(c) When a member who is present is paired with an absent member, he shall announce before the roll call is commenced that when his name is reached he desires to announce a pair and the name of the absent member with whom he is so paired. When his name is called on the roll call vote, he shall announce such pair

by stating the name of the absent member with whom he is paired, how such absent member would vote if he were present and how the present member votes. The Principal Clerk shall record all of this information in the Journal, but the vote of neither party to the pair shall be included in the total vote as announced by the Speaker or recorded in the Journal.

RULE 26. *Voting by Speaker.*—In all elections the Speaker may vote. In all other instances he may exercise his right to vote, or he may reserve this right until there is a tie, but in no instance may he vote twice on the same question.

RULE 35. *Introduction of Bills, Copies Required.*—(a) Whenever any resolution or bill is introduced, a duplicate copy thereof shall be attached thereto, and the Principal Clerk shall cause said duplicate copy to be numbered as the original resolution or bill is numbered, and shall cause the same to be available at all times to the member introducing the same.

(b) Numbering of House Bills shall be designated as "H.B. ____." (No. following). A Joint Resolution shall be designated as "H.J.R. ____." (No. following). A House Resolution shall be designated as "H.R. ____." (No. following).

If the minority report is adopted by majority vote, the bill shall be placed on the favorable calendar for consideration. If the minority report fails of adoption by a majority vote, the bill shall be placed on the unfavorable calendar.

RULE 38. *Removing Bill from Unfavorable Calendar.*—A bill may be removed from the unfavorable calendar upon motion carried by a two-thirds ($2/3$) vote. RULE 43. *Effect of Defeated Bill.*—(a) Subject to the provisions of subsection (b) of this Rule, after a bill has been tabled or has failed to pass on any of its readings, the contents of such bill or the principal provisions of its subject matter shall not be embodied in any other measure. Upon the point of order being raised and sustained by the Chair, such measure shall be laid upon the table, and shall not be taken therefrom except by a two-thirds ($2/3$) vote.

However, any member desiring to offer a subsequent or substitute principal amendment in opposition to the pending amendment may inform the House by way of argument against the pending amendment that if it is defeated he proposes to offer another principal amendment, and he may then read and explain such proposed amendment.

Perfecting (or second degree) amendments may be offered and considered without limitation as to number, and in the event of multiple perfecting amendments, they shall be voted upon in inverse order.

RULE 45. *Conference Committees.*—(a) Whenever the House shall decline or refuse to concur in amendments put by the Senate to a bill originating in the House, or shall refuse to adopt a substitute adopted by the Senate for a bill originating in the House, a conference committee shall be appointed upon motion made, consisting of the number named in the motion; and the bill under consideration shall thereupon go to and be considered by the joint conferees on the part of the House and Senate.

(b) Only such matters as are in difference between the two houses shall be considered by the conferees, and the conference report shall deal only with such matters. The conference report shall not be amended.

One secretary shall be assigned to serve two new members who have not served as much as one full term in the General Assembly.

(c) The selection and retention of clerks and secretaries shall be the sole prerogative of the individual member or members. Such clerks and secretaries shall file initial applications for employment with the Legislative Services Office and shall receive compensation as prescribed by the Legislative Services Commission. The employment period of clerks and secretaries shall commence not earlier than the convening date of the General Assembly and shall terminate not later than the final adjournment or recess of the General Assembly unless employment for an extended period is approved by the Speaker. The clerks and secretaries shall adhere to such uniform rules and regulations not inconsistent with these Rules regarding hours and other conditions of employment as the Legislative Services Commission shall fix by appropriate regulations.

RULE 50. *Compensation of Clerks and Secretaries.*—No clerk, laborer, or other person employed or appointed under Rules 47, 48, and 49 hereof shall receive during such employment, appointment, or service any compensation from any department of the State government, or from any other source, and there shall not be voted, paid or awarded any additional pay, bonus or
